TECHNICAL PAPER/ABSTRACT INDEX

MONDAY, MAY 4

LE M101 Performance Measures: Future Trends and Special Applications

A Quality Management Approach: Improving the Advertising-to-Sales Track Record 1
Margaret Henderson Blair, Rsc The Quality Measurement Company
Victor P. Baillargeon, Rsc The Quality Measurement Company
Key words: advertising measurement, continuous improvement, quality process

From Inspiration to Performance: An Assessment of What Organizations Are Doing to Inspire People Through Performance Measurement 11
Craig Buxton, The Deltapoint Corporation
Roger Ward, Ward Associates
Key words: balanced scorecard, measurement, performance

LE M102 Improve Quality Management in TQM Organizations

Manager Behavior in a TQM Company 19
Barbara J. Keinath, Metropolitan State University
Key words: activities, management, research

Bret Swan, Virginia Tech
No paper submitted

IS MI103 Global Networking for Continuous Improvement

Global Networking for Continuous Improvement Interactive Session 30
Gerry Murak, Murak & Associates, LLC
Key words: implementation, interactive, networking

IS MI104 Audit Success Criteria: Considerations for Effective Audit Program Management

Audit Success Criteria: Considerations for Effective Audit Program Management 31
Traci V.A. Edwards, Shaklee Technica
Key words: audit program management, audit system

IS MI105 How to Write Clear Work Instructions

How to Write Clear Work Instructions 33
Donna M. Nash, Shieldmate Robotics, Inc.
George Callison, Callison Consulting, Inc.
Key words: documentation, ISO 9000, work instructions

LD M106 Business Quality Leadership: A Winning Strategy

A Leadership Roadmap for Quality 37
Virginia Bianco-Mathis, Strategic Performance Group
Cynthia Roman, Strategic Performance Group
Key words: change, management, model

The Second Renaissance: Ten Imperatives of Competitive Success in the New Millenium 47
Subhash C. Puri, Standards-Quality Management Group
Key words: motivation, quality excellence, strategic thinking

Quality Manager 2000—Competitive Advantage: Mapping Change and the Role of the Quality Manager of the Future 53
Nick A. Shepherd, EduVision Inc.
Key words: change, future state, key success factors

D/IG M107 The Multivariate Nature of Statistical Thinking
Statistics Division

Box-Jenkins Manual Adjustment Chart: Bivariate Example 61
J. Stuart Hunter, Princeton University
Key words: bivariate control, Box-Jenkins, non-stationary

Analyzing Complicated Data Sets by PCA and PLS 70
Svante Wold, Umeå University
Nouna Kettaneh, Umetrics Inc.
Key words: multivariate SPC (MSPC), PCA, PLS

Projection Methods for Process Analysis and Statistical Process Control: Examples and Experiences From Industrial Applications 73
Theodora Kourti, McMaster University
J. F. MacGregor, McMaster University
Key words: partial least squares, process performance analysis, multivariate SPC

Hotelling's T^2: A Multivariate Statistic for Industrial Process Control 78
Robert L. Mason, Southwest Research Institute
John C. Young, McNeese State University
Key words: multivariate SPC, T^2 decomposition

D/IG M108 Automotive Quality: From Suppliers to Dealerships
Automotive Division

Certified Retailer: Acknowledging the Best of the Best 86
Linda D. Hirneise, J.D. Power and Associates

Chrysler, Ford, General Motors QS-9000 Update 87
Warren S. Norrid, Jr., Chrysler Corporation
R. Dan Reid, General Motors Corporation
Steve Walsh, Ford Motor Company
Key words: automotive, international, QS-9000, registration

D/IG M109 Lessons Learned in Implementing ISO 14000
Energy and Environmental Division

Graham Chatburne, Ford Motor Co.
No paper submitted

NASA's ISO 14001 Decisionmaking Business Case 89
Olga Dominguez, NASA Headquarters, Environmental Management Division
Robert F. Hartstern, MACTEC, Inc.
Key words: benchmark, cost benefits analysis, environmental economics, gap analysis, ISO 14001

Lessons Learned in Implementing ISO 14001: Texas Instruments Incorporated 92
Dawne Schomer, Texas Instruments

D/IG M110 Regulatory Challenges in the New Millenium
Food, Drug and Cosmetic Division

Joseph X. Phillips, U.S. FDA/Central Region
No paper submitted

OTC Update: Labeling and FDAMA-97 94
R. William Soller, Nonprescription Drug Manufacturers Association

National Food Safety Initiative 95
John M. Tisler, Food and Drug Administration, Center for Food Safety and Applied Nutrition
Key words: Food and Drug Administration, food illness, food initiative, food safety

SI M111 Implementation of ISO 9000 Around the World—Achievements and Difficulties

ISO 9000 in the Mature Market of the United Kingdom 98
Ian Hodgskinson, Lloyd's Register Quality Assurance
Key words: certification, compliance, registrar

Implementation of ISO 9000 Around the World: Achievements and Difficulties 102
Avigdor Zonnenshain, World Quality Council

SI M112 State Quality Awards—Play Our Game and Learn!

State Quality Awards 103
Dirk Dusharme, *Quality Digest*
Jennifer Miff, NIST
Mike Nichols, Federal Express
Regina Robinson, ASQ-MBNQA
Marie Williams, Tennessee Quality Award

SI M113 National Security and Deming

National Security and the Theories of Dr. Deming: A Civilian's Point of View 104
Sheila R. Ronis, The University Group, Inc.
Key words: Deming, National Security

LE M201 The Perfect Audit

The Perfect Audit System 111
David D. Kildahl, Quality Management Services
Key word: handbook

QI M202 Advanced Statistical Techniques

Keys to Successful Designed Experiments 119
Shari L. Kraber, Stat-Ease Corporation, presented by Mark Anderson
Key words: continuous improvement, DOE, process understanding

Charting Multivariate Data for Informative SPC 124
Shih-Jen Li, University of Wisconsin-Milwaukee
Tsong-How Chang, University of Wisconsin-Milwaukee
Key words: control charts, out-of-control diagnostics

IS MI203 Project Management . . . Successfully Managing From Start to Finish

Project Management . . . Successfully Managing From Start to Finish 133
Michael Stanleigh, Business Improvement Architects
Key words: project charter, project life cycle, scope planning

IS MI204 Customer-Driven Metrics Development

Listening to the Voice of Your Customer: How to Develop Customer-Focused Metrics 136
Brenda A. Klafter, Northstar Consulting Group
Sharon E. Miller, Northstar Consulting Group

IS MI205 Colloquium on Ethics and Quality Issues

Colloquium on Ethics and Quality Issues 139
Frank Bensley, Bensley Consulting
Key words: ethics, principles

LD M206 Focusing ISO/QS-9000 Quality System Implementation

Sandwich Board, Humpty Dumpty, and ISO—Together? 141
Anthony C. Fletcher, Eagle Group USA, Inc.
Gay A. Youngblood, Robotron
Key words: buy-in, commitment, motivation

QS-9000—Doing It Faster, Doing It Better 149
John Morrow, Ticona L.L.C.
W.A. McRoberts, Eagle Group USA, Inc.
Patricia Joswick, Hoechst Celanese Corporation
Laura McDonald, Ticona, L.L.C.
Key words: benchmarking, culture, teams

IS MI207 Quality in Education: Critical Issues
Education Division

Education and the Journey to the Future: Your Identification of Critical Issues 157
Gerald Brong, GMB Partnership
Laura Gregg, Wizard Textware

D/IG M208 The Fast Track to Designed Experiments
Quality Management Division

The Fast Track to Designed Experiments 158
M. Daniel Sloan, Sloan Consulting
Key words: deliberate speed, knowledge, simplicity

D/IG M209 Quality Matters in Design and Construction
Design and Construction Division

Utah's I-15, A Transportation Case Study: Role of the Owner's Design Professional in Design/Build and in the Provisions for Quality 166
Patrick W. Drennon, Parsons Brinckerhoff Constructors, Inc.

Customer-Driven Value Management Helps the Quality Go In Before the Plans Go Out 167
Howard Ellegant, Howard Ellegant Associates
Key words: value analysis, value engineering

Test, Inspections, and Hold Points: How Are You Managing Them? 169
Michael J. Tedaldi, The Nettleship Group
Key words: construction industry, inspection management, test management

D/IG M210 Operational Excellence and Six Sigma in AlliedSignal
Textile and Needle Trades Division

Mark Censits, AlliedSignal
No paper submitted

An Overview of Operational Excellence and Six Sigma in AlliedSignal 173
Stephen A. Zinkgraf, Sigma Breakthrough Technologies, Inc.
Key words: culture change, six sigma, total quality management

SI M211 International Perspectives on Quality Management and Business Management
No paper submitted

SI M212 ASQ-IHI Collaborative: Report on Results
No paper submitted

SI M213 Quality Professionals to Business Literacy

The Power of Open-Book Management 176
John P. Schuster, Capital Connections, Inc.®
Key word: business literacy

SI M214 How Can ASQ's Computer-Based Learning Programs Work for Me?

Computer-Based Approaches to Body of Knowledge Mastery in Auditing and Quality Management 181
Marie Leitão, Holmes Corporation
Susan Westergard, ASQ
Key words: certification preparation, professional development, quality auditor, quality manager, training

TUESDAY, MAY 5

QI T101 Applying Quality Management Principles From the Classroom to the Workplace

Baldrige Award Application to Education: A Case Study 184
Chester A. Francke, Quality Learning Systems International
Linda A. Borsum, Quality Learning Systems International

A System Model for Quality Management Principles: Case Study Application to Technical Staff at an R&D Organization 190
Richard C. Brocato, The Johns Hopkins University
Kenneth A. Potocki, The Johns Hopkins University
Key words: quality system model, quality training

Implementing Quality From Birth to Adolescence 199
Heidi Crall, Lakefront SRO Corporation
Key words: process improvement, total quality management

Teaching Quality to Business Students 203
William J. Latzko, Latzko Associates
Key words: education, teams, training

QI T102 Transforming the Quality System with ISO

Computerizing ISO 9000 210
John M. Cachat, IQS, Inc.
Key words: ISO 9000, lean manufacturing, software

Improving Quality with Integrated Statistical Tools 218
Michael Larsen, Medtronic, Inc.
John Kim, Medtronic, Inc.
Key words: audit, procedure, quality system

ISO 9000 and Strategic Planning 226
Peter Merrill, Strider International
Key words: employee involvement, managing change, quality systems

Electronic Application of ISO 9000 in Health Care 234
Kristine Snyder, Snyder & Associates
John O'Donnell, Holy Cross Hospital
Key words: electronic ISO 9000 record system, ISO 9000 consultant, service organization in-house

IS TI103 Self-Assessment: Listening & Learning From Employees

Conducting an Organizational Self-Assessment: Listening & Learning From Employees and Customers 240
Michael Caravatta, Caravatta & Associates

IS TI104 Quality Improvement Through Proactive Contracting

Quality Improvement Through Proactive Contracting: Contracts Are Too Important to be Left to Lawyers! 243
Helena Haapio, Lexpert Ltd.
Annika Varjonen, Visual Impact by Annika

IS TI105 How to Write Clear Work Instructions
Donna M. Nash, Shieldmate Robotics, Inc.
George Callison, Callison Consulting, Inc.
see session MI105

LD T106 Successful Applications of Quality Systems

Quality Challenges for Professional Associations 249
Richard G. Flaherty, American Association for Clinical Chemistry
Key words: committees, conferences, programming

Application of Leadership in a Small Company 259
Douglas R. Rosensteel, Classic Industries, Inc.
Key words: Deming, Senge, system

Gaining New Ground for Quality: How to Introduce Quality to Young Companies and Novel Products 267
Victor Schonberger, Electric Fuel Ltd.
Key words: adaptation of standards, ISO 9001, start-up companies

D/IG T107 Improving Corporate Competitiveness Through Reliability
Reliability Division

Advanced Maintenance Strategies: A User's Perspective 274
Kenneth J. Culverson, Johnson Controls, Inc.
Key words: condition monitoring, proactive maintenance, RCM

D/IG T108 Benchmarking in the Medical Device Industry
Biomedical Division

Benchmarking Start-up: Pitfalls and Successes 277
Travis R. Burpo, Sulzer Bingham Pumps Inc.
Key words: benchmarking start-up, pitfalls

Fundamentals of Benchmarking 287
Arthur G. Tweet, CQI Associates
Key words: Baldrige Award, Internet, taking process ownership

D/IG T109 Quality Trends in the Aerospace and Defense Industry
Aviation, Space and Defense Division

	Quality Trends in the Aerospace and Defense Industry Eugene Barker, Boeing Michael Dreikorn, Federal Aviation Administration Wayne Haesel, Boeing Commercial Airplane Group Key words: aviation quality, defense quality, space quality	*289*
D/IG T110	World Perspective of TQM ASQ International Chapter	
	Implementation of TQM in Large Not-for-Profit Organisations Robert Haigh, Sheffield Hallam University David S. Morris, Sheffield Hallam University Uche Nwabuze, Sheffield Hallam University Key words: NHS, TQM	*291*
	Aligning TQM with Product Life Cycle Suresh Lulla, Qimpro Consultants Private Limited Key words: product life cycle, quality management	*297*
	Implementation of TQM in SME's in Germany: Problems and Results Johannes Pfister, InterQuality Service AG Key words: change pilots, EFQM, result-oriented project management, total quality management	*303*
SI T111	Transformations to Quality Organizations	*306*
QI T112	Practical Ideas for Measuring Subjective Aspects of Quality	
	"You Can't Measure Us, We Do Client/Server:" Dispelling Developers' Myths About Software Measurement Carol A. Dekkers, Quality Plus Technologies, Inc. Key words: cultural change, software measurement, software process improvement	*307*
	Setting the Course for Quality: A Case Study in Applied Self-Assessment Timo Hannukainen, Nokia Mobile Phones, Ltd. Simo Salminen, Nokia Mobile Phones, Ltd. Key words: business excellence, comparative analysis, evaluation criteria	*316*
	Using Dashboards and Scorecards in a Service Industry Steven J. Pautz, GE Capital Mortgage Insurance Corporation Key words: dashboards, scorecards, service	*324*
SI T113	Taking the Next Steps in the Community Quality Journey	
	Leadership: The Key to Successful Quality Implementation Genelle Birk, City of Tacoma Ray E. Corpuz, Jr., City of Tacoma Key words: organizing for quality, public sector quality management	*331*
	Implementing Statistical Thinking in Education: A Case Study at Pegasus Charter School, Dallas, Texas Paula Brooks Sommer, Institute for Standards in Quality Education Dr. Charles Blanton, Pegasus Charter School Dr. Donald Williams, Process Improvement Consultants	*334*

LE T114 The Internet: A Tool for Quality Technologies

Electronic Elegance: Document Management Using Internet Technologies 336
Steven M. Pierce, American Steel Foundries
Thomas R. Schultz, American Steel Foundries
Key words: browser, Internet, world wide web

Internet Information Sources—Quantity vs. Quality 344
David A. Waite, ILX Systems
Key words: guidelines, risks, validation

LE T201 Innovation and Quality: Future Directions

Path-Dependence: A Managerial Hermeneutic 349
Steven Silkunas, SEPTA
Key words: management, path-dependence, strategic planning

The Map & Compass Framework: Integrating Organizational and Personal Development 355
Daniel K. Judd, Brigham Young University
Richard E. Winder, Michigan State Bar Foundation
Key words: aim-plan-do-study-act cycle, five-dimension framework of orienteering model, innovation and creativity

QI T202 Different and Useful Tools for Process and Performance Gains

Process Simulation in Quality and BPR Teams 368
Robert G. Batson, The University of Alabama
Tracy K. Williams, The University of Alabama
Key words: process mapping, process simulation

Performance Reports: Use as Early Warning System 375
Joel Childs, Roberts Express, Inc.
Key words: customer satisfaction survey, missed opportunities survey, reduced usage/lost customer survey

Competitive Intelligence From Customer Feedback 382
Dennis Nolan, Foseco-Morval Inc.
Key words: competitive intelligence, customer complaints, customer surveys

Implementing an Integrated Quality Management System 390
Kit-Fai Pun, City University of Hong Kong
Key words: Baldrige Award, IQMS

IS TI203 Get Out of the Box to Ignite High-Performance Work Teams

Get Out of the Box to Ignite High-Performance Work Teams 397
Allan Nosel, TNT Training®

IS TI204 Audit Success Criteria
Traci V.A. Edwards, Shaklee Technica
see session MI104

IS TI205 Early Life-Cycle Identification of Quality Risk Factors

Early Life-Cycle Identification of Software Quality Risk Factors 399
David Herron, The David Consulting Group, Inc.

D/IG T206 Effective Performance Measurement: Focused, Integrated, and Precise
Measurement Division

Integrating the Management System and Balanced Scorecard 401
John H. Barr, Xerox Quality Service
Key words: balanced scorecard, strategy, xerox management model (XMM)

Avoiding the Performance Trap: Measuring Your Achievements, Not Your Activity 407
Michael J. Ross, customer-eyes
Key words: effective, outcomes, performance measurement

Effective Measurement of Business Performance 414
Philip Stein, P.G. Stein Consultants
Key words: business performance, measurements, metrics

D/IG T207 The Next Dimension in New Product Introduction
Product Safety and Liability Prevention Technical Committee

Taking the Quality Program to a New Dimension 418
Randall L. Goodden, Everbrite Inc.
Key words: lawsuits, legal actions, prevention, product liability, reliability, risk management

Product Traceability: A Guide for Locating Recalled Manufactured Goods 423
Gigi M. Lipton, The Tracker Corporation
Key words: product identification, product location tracking, traceability

D/IG T208 Partnering in the Journey: C + X + S + X = Innovative Partnerships
Customer-Supplier Division

Suppliers with an Inside Seat—What a Revolution! 432
Philip R. Heinle, Quality Consulting
Key words: customer, partnership, supplier, supply chain

A Competitive Advantage: Customer and Supplier Innovation Teams 436
Patrick H. Norausky, GLOMAXX
Key words: competition, creativity, customer, global, innovation, relationship, supplier, team

CIA for CS: Creativity and Innovation Applications for Customer/Supplier Relationships 447
Gary M. Vansuch, Tennessee Valley Authority
Key words: breakthrough thinking, creativity, creativity tools, customers, idea generation tools, innovation, suppliers

D/IG T209 ISO-IEC QEDS Standards—Today and Tomorrow
Standards Committee

ISO 14000 Implementation: What's Happening? What Are the Issues? 452
Dorothy Bowers, Merck & Co., Inc.

Dependability Standards Abstract 453
John A. Miller, US TAG IEC TC56

Activities of ISO TC69: International Standards on Statistical Methods 455
August B. Mundel, Chair U.S. Technical Advisory Group
Key words: ISO/TC69 standards, standards, statistical standards

John E. (Jack) West, Tenneco, Inc. 458

D/IG T210 World of Quality
ASQ International Chapter

Simply Quality: From Three Dimensions to the Dynamic of Change 459
Js. Gilberto Concepción, J.G.C. & Associates
Key words: aptitude/attitude, dynamic of change, five dimensions, process improvement, simply quality

Involving Executives in the Quality Movement 464
H. James Harrington, Ernst & Young LLP

SI T211 Transformations to Quality Organizations
See T111

SI T212 Koalaty Kid: A Process for the Future
Koalaty Kid

The Koalaty Kid Process in Action 466
Darlene G. Davis, Conshohocken Elementary School

SI T213 Statistical Thinking—New Perspectives

"Vital Few, Trivial Many"—Challenged 474
H. J. Bajaria, Multiface, Inc.
Key words: Pareto chart, problem solving, Shewhart chart

Hyper-Dimensional Analysis 480
Cephas B. Rogers, NYPRO Inc.
Key words: dimensional analysis, graphical analysis, injection molding

Seeking an Optimal Scheduled Maintenance Interval: An Analytical Characterization of the Impact of Scheduled Maintenance Intervals on the Systems Reliability Model 484
William R. Wessels, Northrop Grumman Corporation
Key words: mean-time-between-failure, reliability model, scheduled maintenance interval

LE T214 Variation Simulation: Tolerance and Assembly Modeling

Design for Tolerance of Dynamic Mechanical Assemblies 490
Praveen Gomer, Variation Systems Analysis Inc.
Key words: accessory drive alignment, engine dynamics, geometric tolerances, statistical methods, valve overlap

S. Jack Hu, University of Michigan
No paper submitted

Variation Simulation for Tolerance Analysis and Synthesis 501
Mark Iannuzzi, Variation Systems Analysis, Inc.

QI T301 Identifying and Implementing Continuous Improvement

Improving Customer Delight in Laser Vision Correction 503
Robert A. Abbott, Unicorn Grove Enterprises, Inc.
Allen D. Greene, Allen Greene Consulting, Inc.
Henry Lynn, Beacon Eye Institute
Key words: continuous improvement, customer satisfaction, statistical analysis

Successful Steps in the Development of Quality in Central America 513
Silvia C. Castañón, Quality Bureau
Leonel S. de la Roca C., Quality Bureau
Key words: Central America, quality congresses, quality culture

Rapid Improvement: Accelerating the Pace of Change 520
Gordon G. Harter, Deltapoint Corporation
Ken Lousberg, Genie Industries
Key words: just-in-time, lean manufacturing, process improvement

Break Through to Increased Value and Reduced Cost 528
Christopher S. Larmey, Pacific Northwest National Laboratory
Key words: cost reduction, process improvement, teams

QI T302 Quality Improvement Methods and Tools in Use Around the World

Knowledge Base Approach to Integrated FMEA 535
Zigmund Bluvband, ALD Inc.
Eliahu Zilberberg, Motorola Communication Israel (MCIL) Ltd.
Key words: artificial intelligence, continuous improvement, corrective action, risk priority number

Systematic Problem Solving: A Cornerstone for Quality 546
James Gelina, EMCO Specialties, Inc.
Marty Schildroth, EMCO Specialties, Inc.
Key words: continuous improvement, systematic process, team approach

QFD in a University Quality Management Course 555
Don Houston, Massey University
Karen A. Lawrence, Massey University
Key words: customer data, education, quality improvement

Combining QFD and FMEA to Optimize Performance 564
Sharon K. Johnson, Management Consultant—Quality, Materials, Environmental
Key words: customer, risk-assessment, strategy

IS TI303 Closing the Loop: Moving from Measurement to Action!

Closing the Loop: Moving From Measurement to Action! 576
Jim Jubelirer, Burke Customer Satisfaction Associates
Key words: customer satisfaction, organizational change, process improvements

IS TI304 Quality Improvement Through Proactive Contracting
Helena Haapio, Lexpert Ltd.
Annika Varjonen, Visual Impact by Annika
see session TI104

IS TI305 Colloquium on Ethics and Quality Issues
Frank Bensley, Bensley Consulting
see session MI205

LD T306 Methods for Achieving a Quality Process

Chaos Theory Applied to TQM: A Survey 578
Luis A. J. Borges, Sponsored by CAPES—Brazilian Research Agency
Stephen J. Guastello, Marquette University
Key words: investment decision making, nonlinear dynamics, total quality management

Team Sponsorship Methods Are Vital to Team Success 586
Sharyn Mlinar, The Boeing Company
Key words: scientific method, team management, team sponsor

D/IG T307 Quality Is Personal
Human Development and Leadership Division

Personal Quality 592
George Bateman, University of Chicago
Richard G. Black, AT&T
Bernard F. Sergesketter, AT&T
Key words: checklist, Covey, foundation, Franklin, personal

D/IG T308 Sector-Specific Quality Standards: Today and Tomorrow
Electronics Division

Aerospace Basic Quality System Standard SAE AS9000 595
Eugene M. Barker, The Boeing Company
Key words: SAE AS9000

Kim Trautman, Food and Drug Administration
No paper submitted

ISO Medical Device Quality System Standards: ISO 13485, ISO 13488, ISO 14969 597
Joseph J. Tsiakals, Baxter Healthcare Corp.

52nd Annual Quality Congress 598
R. Dan Reid, General Motors Corporation
Key words: automotive, international, QS-9000, registration

D/IG T309 The Use and Misuse of SPC in Service Functions
Service Quality Division

Use and Misuse of SQC in Service Functions 599
James E. Duarte, Anheuser-Busch Cos., Inc.
Key words: rational subgrouping, service industry, statistical quality control

D/IG T310 Bad Software—Who Is Liable?
Software Division

"Bad Software—Who Is Liable?" 607
Cem Kaner, Law Office of Cem Kaner
Key words: liability, software quality, uniform commercial code

SI T311 Transformations to Quality Organizations
see T111

IS TI312 The Stuff Americans Are Made Of®: Applying the Learnings

Stuff Americans Are Made Of®: Applying the Learnings 627
Del Alberti, Lodi Unified School District
Genelle Birk, City of Tacoma
Deborah L. Hopen, Xerox Quality Services
Key words: American culture, applications, archetype

SI T313 Human Factor Analysis/Achieving Competitive Excellence

Achieving Competitive Excellence in the Office 632
Leonard Javinett, Pratt & Whitney
Key words: continuous improvement, office quality

Achieving Competitive Excellence 637
Stacy William Hall, United Technologies Corporation, Pratt & Whitney
Key words: pilots, seven action-based elements, four achievement levels

Cellular Manufacturing Leadership 646
John R. Wright, Central Connecticut State University
Key words: cellular leadership, stress management, training

SI T314 Exploring the ASQ Net and Quality Information Center (QIC)

Exploring How ASQ Is Using Internet Technologies to Enhance Access to Quality-Related Information 656
Garry M. McCann, ASQ
Renee Janscha, ASQ
Key words: electronic, information, resources

LE W101 Quality for Service Industries

Total Performance Management: Catalyst for Change 658
John C. Doyle, Universal Training
Laura Kalman, Performance First, Inc.
Key words: competency model, shared ownership, strategic alignment

Improving Quality Practices in Facility Management Services 668
Fred J. Klammt, Aptek Associates
Key words: asset management, facility management, real estate, utility company

System Approach to Service Quality Management 675
Ranbir Sarkar, KPMG Peat Marwick Quality Registrar
Key words: process integrity, quality system, service management, service quality

QI W102 Process Performance Measures for the New Millenium

SPC's Effectiveness Prediction and Analysis 688
Pavel Grabov, Advanced Logistics Development Ltd.
Key words: capability study, control charts, statistical process control

Performance Analysis for Process Improvement 697
Michael V. Petrovich, Luftig & Warren International
Key words: performance measures, P_{pk}, P_{pm}

SPC in Paint Application: Mission Impossible? 708
Willy W. Vandenbrande, Quality Sòlutions Consult
Key words: design of experiments, process control, teamwork

IS WI103 Suprising Quality: Creative Customer Needs Analysis

Surprising Quality: Creative Customer Needs Analysis 716
Paul Plsek, Paul E. Plsek & Associates, Inc.
Key words: creativity, customer, total quality management

IS WI104 Customer-Driven Metrics Development
Brenda A. Klafter, Northstar Consulting Group
Sharon E. Miller, Northstar Consulting Group
see session MI204

IS WI105 Double Your Brain Power and Create High Performing Teams

From "Half-Brain" to "Whole Brain:" Learn to Create High Performing Teams 725
Joan E. Cassidy, Integrated Leadership Concepts, Inc.
Key words: creativity, organizational effectiveness, whole-brain thinking

LD W106 Quality Management in Government Organizations

New Roles for Public Agency Managers 736
William Chiat, County of Santa Barbara
Key words: leadership, management, training

Federal Leadership and Top-Down Bottom-Up Commitment: The Department of Energy Aligns for Results 743
Marjorie Gildenhorn, U.S. Department of Energy
Janice Stark, U.S. Department of Energy
Key words: federal government, leadership, Malcolm Baldrige Award

D/IG W107 Improving the Health and Productivity of the Workforce
Healthcare Division

Stephen Caldwell, Fort James Corp.
No paper submitted

Robert S. Pyatt, Cumberland Valley Health Network
No paper submitted

D/IG W108 Tools for Developing Training and Continuous Improvement
Inspection Division

Pitfalls in Problem-Solving Methods 755
Mollie M. Brown, Cummins Engine Company
Key words: corrective action, solution evaluation

Customer and Supplier Working Together: Case Study for Continuous Improvement 758
Gregory S. Gay, Aero-Motive Company
Key words: inspection division, problem solving, supplier improvement

Courseware Quality Activities 760
Richard L. Smalley, ITS—Intertek Services
Key words: instructional system quality, training system quality

D/IG W109 Quality Costs: A Universal Element in Quality Systems
Quality Cost Committee

Survey of Cost of Quality: Canadian Businesses 770
G. Dennis Beecroft, University of Waterloo
Key words: cost of quality, measurement, survey

The Cost of Nonquality: The Israeli Experience 772
Avner Halevi, University of Haifa
Eithan Naveh, Hebrew University
Avigdor Zonnenshain, The Standards Institution of Israel
Key words: nation, nonquality, survey

Cost of Quality—and ISO Implementation Using Cost of Quality as a Driver for Effective Use of ISO 9000 and 14000 776
Nick A. Shepherd, EduVision Inc.
Key words: performance measurement, profitability, return on investment (ROI)

D/IG W110 Author, Author . . .
Quality Audit Division

Grand Unification Theory of Auditing 784
Dennis R. Arter, The Audit Guy
Key words: audit, controls

After the Quality Audit: Closing the Loop on the Audit Process 788
Terry Regel, Quality Management Resources
Key words: auditor, corrective action, PDCA cycle, preventive action

The Quality Audit Handbook: Bridge to Improvement 792
J.P. Russell, J.P. Russell & Associates
Key words: auditor, audits, body of knowledge, CQA

Management Audits: The Author's Reflections and Work for Past, Present, and Future 795
Allan J. Sayle, Allan Sayle Associates
Key words: business improvement, professional services, value-added

SI W111 Global Quality Issues That Are Setting the Pace for Today and the Future
International Academy for Quality

TQM in the Information Age: New Approaches and Paradigms 797
Edward Fuchs, Consulting for Exceptional Performance

Quality and Humanity *799*
Yoshio Kondo, Kyoto University
Key words: breakthrough, creativity, humanity, motivation, three elements of work

Engineering Curriculum Development *805*
Way Kuo, Texas A&M University
Key words: industrial engineering, manufacturing

SI W112 ASQ Research Fellowship Grant Results

Joining Hands: School, College, Industry *813*
Elizabeth Burnett, Lima Technical College
Key words: applied academics, career exploration, problem-solving experience

Solving a Problem and Getting Along: Toward the Effective Root Cause Analysis *816*
Leon Khaimovich, University of Pittsburgh
Key words: action research, cognitive processes, cross-functional teams, emotions, problem-solving, team effectiveness

Software Acquisition Strategies—A Look at Current Practices *831*
Norman P. Moreau, MACTEC, Inc.
Key words: acquired software, failure risk assessment, outsourcing, software acquisition strategy

SI W113 Quality in Commercial Aviation

Quality in Commercial Aviation *840*
Barker
Key words: aviation quality, product safety

SI W114 University Quality Degrees Via the Internet

Internet Accessing of University Quality Education Programs *843*
William Casti, Associated Quality Consultants Inc.
Key words: cyber, education, Internet, Master of Science Quality Assurance, web

A Distance Learning Case Study *844*
Cynthia G. Johnson, California State University, Dominguez Hills
Key words: cyber, Internet, Master of Science Quality Assurance, web

University Degrees Via the Internet Featuring the MSQA *845*
Scott MacKay, California State University, Dominguez Hills
Key words: cyber, Internet, Master of Science Quality Assurance, web

A Distance Learning Case Study *847*
Walter W. Tucker, Eastern Michigan University
Key words: cyber, distance learning, instructional design, interactive video, Internet, Master of Science Quality, web

LE W201 Quality Journey in Higher Education

Quality Education in the Basque Province: A Case Study 848
Eugenio Ibarzabal, FORO GUPUZKOA XXI
Franklin P. Schargel, Schargel Consulting Group

Transformation Model for Academic Research 854
Steve Ilmer, Wayne State University
Ralph Kummler, Wayne State University
Barton Lessin, Wayne State University
